This Information Disclosure Statement (IDS) is filed herewith the above-identified application, within three months of the filing date of the application, and before the mailing date of a first Office Action on the merits, and therefore, the IDS is properly submitted pursuant to 37 C.F.R. § 1.97(b), and therefore it is believed that no fee is due for the filing of this IDS. However, if a fee is required, the Commissioner is authorized to charge the unpaid amount to Deposit Account No.12-2252.

Applicants respectfully request that the Examiner review the listed references and that they be made of record in the file history of the above-captioned application.

Although these documents are being made known to the Patent and Trademark Office in compliance with Applicant's duty of disclosure, such disclosure is not to be construed as an admission by Applicants or Applicants' representative that the reference is material to patentability or effective as prior art against the subject application.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application under 37 C.F.R. §§1.16-1.17 during its entire pendency, or credit any overpayment, to Deposit Account No. 12-2252. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 12-2252.
